The North Dakota Safety Council... Your Safety Resource

The North Dakota Safety Council (NDSC) is a non-government, not for profit, membership supported organization dedicated to helping make our state a safer and healthier place to live. The NDSC was organized in 1974 and is chartered by the National Safety Council. Today, with a variety of companies representing all sizes of all industries, the NDSC is an active participant in influencing safe work practices all across North Dakota.

Mission

To create a safer and healthier environment throughout North Dakota.

Vision

The North Dakota Safety Council will be the recognized leader in improving safety and health throughout North Dakota.

Location

The NDSC is proud to conduct all courses at our new facility located at 1640 Burnt Boat Drive in Bismarck, North Dakota. Directions to the NDSC: Travel I-94 into Bismarck to exit 157. Travel north to Burnt Boat Drive and turn left.

Membership Can Help You:

- ◆ Strengthen your safety program and your understanding of safety and health issues.
- ◆ Create an effective safety program, even if your resources are limited!
- ◆ Network with safety leaders.
- ◆ Build your professional skills and credentials.
- ◆ Contribute to the success of your organization, employees, and your community!

Membership Benefits

Join other state-wide businesses who know that membership in the North Dakota Safety Council can help them prevent injuries, reduce costs and increase productivity. Whether you're working with an existing program or starting from scratch, our friendly and experienced staff can provide the expertise and support your organization needs to comply with regulations and develop an effective safety program. The North Dakota Safety Council should be an integral part of your safety program. Here are just a few of tools to help you succeed!

North Dakota Safety Council Website

You have full access to safety and health information for work, traffic, and off-the-job issues. In addition our 'Members Only' section is filled with policies, standards, tool box meetings and proven best practices you can use!

Member Publications and Resources

Our bi-monthly newsletter has the latest safety and health news, issues and regulatory developments. Our bi-weekly electronic newsletters keep you informed of upcoming trainings and events!

Video Library

Members have access to more than 500 industry-specific videos to train, educate and promote safety and health. In addition, we just added 40 new DVD's to our library!

North Dakota Safety & Health Conference

Join your colleagues and more than 30 exhibitors at the annual North Dakota Safety and Health Conference. Register early for more than 60 educational sessions! Submit your application for the prestigious safety and health awards! The premiere safety and health event in North Dakota!

Join Today!

Product Discounts

Products offered for sale include video training programs, books, videos, pamphlets, safety periodical subscriptions, and payroll envelope stuffers. The list goes on and on, and by becoming a member of the North Dakota Safety Council, you will be able to place your order and receive discounts today!

Consultation & Auditing

Our staff of experts are available to answer your questions about all areas of safety and health. One of our safety consultants or other staff members will certainly be able to assist you to find the solution to your safety problem, or to be able to visit your location to complete a safety audit.

Safety Training

More than sixty different safety training courses are offered by the NDSC during the year. Every other month new training schedules are available and we offer safety training at convenient locations across the state. If that does not work well, you also have the option to schedule a private class at your location!

Apply for membership at www.ndsc.org or complete the attached membership registration form.
