

PROTECT YOUR YOUNG DRIVER

BEFORE

before the crash...
before the ticket...
before lives are lost...

Vehicle crashes are the #1 cause of death for young adults ages 14-24! Enroll your young driver in ALIVE AT 25 today!

Alive at 25 is an interactive classroom course that encourages young drivers to take responsibility for their driving behavior to help keep them safer on the road. Plus, the Alive at 25 course is approved for point reduction and possibly an insurance discount.

This course could reduce your young driver's likelihood of being in a car crash!

Register at www.ndsc.org, by selecting the Alive at 25 logo, and following the simple steps! Course fee is \$45.
