## To Join

To become a member, please complete the membership form and return to the mailing address.

## **Central Dakota Safety**

**Association** is an organization of individuals who have responsibilities or an interest in providing safe environments for coworkers, customers and visitors. The association is made up of people from both the public and private sector. The interchange of ideas between safety specialists and safety resource-related individuals is beneficial to all persons interested in promoting a safety conscious business culture.
