

Don't Miss This Free **WORK ZONE** Safety Training

Flagger Training - 2 hour online or CD/DVD course

This course is recommended for any persons required to perform flagger duties and persons involved in the direct/indirect supervision of flaggers in North Dakota.

Course includes:

- Student participation using hands-on procedures for the flagger
- Overview of the flagger's job
- Proper clothing – nighttime vs. daytime operations
- Tools to be used & proper use of tools (STOP, PROCEED & SLOW)
- Flagger stations & situations
- Single, double flaggers and pilot vehicle operations
- Working with a red flag & flashlight traffic wand
- Flagging at intersections
- Proper flagger conduct
- Final exam including 25 questions. A 75% will be required to pass.

Students can receive a copy of the DVD or CD along with the North Dakota Flagger Handbook upon completion of the course. This training is available online at www.ndsc.org and www.agcnd.org.
