It's About Learning, Sharing, and Networking Safety Ideas

Thank you for your interest in the Minot Area Safety Association! The information included in this brochure will provide you with a brief overview of MASA. Read through it. Think about it. Ask questions about it. Then, come to a meeting and experience it. You'll be glad you did.

WHAT IS MASA?

The Minot Area Safety Association is an organization formed to provide guidance to individuals who are responsible for safety in their respective organizations. As a member of MASA, you will be joining a group of safety professionals dedicated to their profession, excited about enhancing and improving their knowledge and skills, and who welcome the opportunity to hear and see how other safety professionals go about their work and handle regulatory compliance issues. MASA provides a great opportunity for members to network and gain the latest information on new legislation, policies and overall health and safety matters that may affect your company.

MEMBERSHIP

An annual membership includes two reserved seats at our monthly meetings and any other printed materials that may be distributed. Membership is open to persons or firms serving in a professional or practitioner capacity in safety management functions. Guests and prospective members are welcome to attend at any time. Prospective member lunches are complimentary their first meeting.

DUES

Annual membership dues are \$100.00 per year due the same month each year membership started.

MEETINGS

MASA meetings are held the third Tuesday of each month at 11:45 a.m. Presentations consist of various topics on safety and could include roundtable discussions, guest speakers, panel discussions, tours, etc.

BENEFITS

- Monthly presentations on safety topics
- Informational Safety Newsletter
- Networking among safety professionals
- Membership to a safety organization
- Make new friends in the safety arena
- Assist in development of community-wide safety culture
