

Take the first step.

With access to information, education, and reduced rates on training and safety products, becoming a member of the North Dakota Safety Council is the first step toward preventing injuries in your business, on the roads, and in your home and community.

{START HERE}

SAFETY TRAINING

✦ Public Courses

Choose from nearly sixty different safety training courses, offered many times per year, at convenient locations across the state. *Members receive our lowest rate or reduced rates on public courses.*

✦ Private Courses

Our experienced, certified experts will train your employees at YOUR business, allowing you to maximize your time in the office and minimize employee's time away. *Members receive reduced rates on private courses.*

✦ Online Training

NDSC offers more than 150 online training courses! You'll find courses in Healthcare, Traffic Safety, Emergency Care, Industrial Skills, Drug & Alcohol Awareness, Human Resources, as well as OSHA Construction, General Industry, Outreach & Hazardous Waste. Courses can be accessed through our web site at www.ndsc.org. *Reduced rates apply to some courses.*

✦ Annual ND Safety & Health Conference

Sixty or more educational sessions are taught by instructors from across the nation at the largest safety & health conference in North Dakota! More than 500 attend annually to participate in the training, network with colleagues and learn about new safety techniques and services. Watch www.ndsc.org for announcements regarding this early spring event. *Members attend at a reduced rate.*

SAFETY CONSULTING & AUDITING

Our experienced safety trainers are available to advise you regarding safety at your business. We conduct safety audits, make speaking appearances, and help develop safety plans year-round. Call to discuss your needs and we will work with you to accomplish your safety goals.

SAFETY PRODUCT DISCOUNTS

Products offered for sale include video training programs, books, videos, pamphlets, safety periodical subscriptions, AEDs, First Aid kits, and more! *Members receive reduced rates on all products.*

Take the first step toward a safer environment in your business, your home and your community.

Join the NDSC today!

SAFETY INFORMATION

✦ North Dakota Safety Council Website

Members have full access to safety and health information for work, traffic, and off-the-job safety. In addition, our 'Members Only' section is filled with policies, standards, weekly safety outlines, and proven best practices!

✦ Member Publications and Resources

All members receive an updated training calendar quarterly, the NSC Family Safety & Health magazine quarterly, and the Safety & Health magazine monthly. We also send safety news, announcements and updates via email, on a regular basis.

✦ Video Library

Members have access to our video library containing more than 500 industry-specific videos and DVDs to train, educate and promote safety and health. The full video list is online at www.ndsc.org. Check out a video by calling 701-223-6372. We'll mail them anywhere in the state for a minimal fee.

Whether you're working with an existing program or starting from scratch, our friendly and experienced staff will provide the expertise and support your organization needs to develop an effective safety program.

We're here to help you!

THE VALUE OF MEMBERSHIP

NDSC members gain a number of business advantages from their membership.

“ *The North Dakota Safety Council is an excellent source for training, resources and consultation services that we were looking for when developing our safety program. We have a strong relationship and are looking forward to continued membership.* ”

~ Dean Riley, Safety Manager
Steffes Corporation

“ *Our membership with the ND Safety Council has been a vital aspect of our safety program for years, not only by providing employee training but train-the-trainer opportunities as well. Additionally, the annual conference offers information and technology updates by vendors of safety related equipment along with first class presentations from industry experts.* ”

~ Jeff Ehli, Safety Manager
**Montana-Dakota Utilities
Great Plains Natural Gas**

“ *We do at least 4 defensive driving courses a year and have also done AED training for our employees. We have found the trainers organized and extremely knowledgeable in their areas ... thanks NDSC!* ”

~ Roberta Montclair Johnson, Compliance Officer
Prairie Knights Casino & Resort
