— INTRODUCING —

# SAFETY SERVICES

Farmers Union Insurance is partnering with the North Dakota Safety Council to provide safety services such as assessments, consultations and training to keep you, your employees and family members safe.

**YOUR SAFETY IS OUR PRIORITY!**

Together, we'll help you experience reduced incidents and claims, higher production and lower insurance premiums.

# HERE'S HOW YOU BENEFIT FROM THIS NEW PARTNERSHIP

When you take your insurance through Farmers Union Insurance, you now have access to high quality safety services and trainings offered by the North Dakota Safety Council – all at their MEMBER rates!

## **The NDSC will help you:**

- Understand OSHA regulations
- Manage your NDDOT compliance
- Experience fewer claims
- Lower your Work Comp premiums
- Keep your people safe

The North Dakota Safety Council employs experts who will help you **PROTECT YOUR PEOPLE** and **YOUR POCKETBOOK** while simplifying all the rules, requirements and regulations.

**It's Easy! Call 701-223-6372 or 800-932-8890  
and let the North Dakota Safety Council know  
you're working with Farmers Union Insurance.**

They'll either do an initial assessment to determine your needs or quote you for services you know you want. Fees will vary depending on location, number of facilities or employees – but no matter what, you'll always receive their best member rates.
