NDSC DRIVER SAFETY COURSES

Alive at 25

This highly interactive program for drivers under age 25 focuses on behavior, judgment, decision making and consequences, and provides tools for making positive choices. Alive at 25 is often offered through local high schools. Ask your district if its available in your area! *Pricing varies.*

Attitudinal Dynamics of Driving (ADD)

Often court-referred, ADD is an 8-hour program designed to help participants make a direct connection between their attitude and their ability to make good driving decisions. (\$125-\$175)

Defensive Driving

A fast-paced driver improvement program offering practical strategies to reduce collision-related injuries, fatalities and costs. Also offered online. (\$30-\$85)

**NDSC members receive course discounts.*

ALSO AVAILABLE:

- Operation Lifesaver Rail Safety Presentations
- School Bus Driver Workshops
- Professional Truck Driver Training

Some courses also available online. Call to arrange for private, in-person classes for you or your organization.

Safety (and justice) for all – Court-Referred Defensive Driving Courses (DDC)

Our National Safety Council Defensive Driving Courses (DDC) provide DUI violators, repeat traffic offenders and others with the tools they need to reduce future violations and improve safety. For more than 50 years, courts have found that referring traffic offenders to DDC helps reduce vehicle crashes in their communities and traffic cases in their courtrooms.

DDC in action across the country:

Massachusetts:

77%
DECREASE
in major traffic violations

Kentucky:

Alive at 25
decreased deaths by
51%
for drivers age 16-19

Illinois:

DDC participants
8X less likely to be
involved in a crash and
10X less likely to be arrested
for a moving violation.

Adverse Weather Driving

Reduce your risk when driving conditions are poor, and make better driving decisions when winter strikes. A great refresher for experienced drivers and an eye-opener for those new to North Dakota's roads. (\$45-50)

Distracted Driving (Online only)

This online course helps to change drivers' distracted driving attitudes and behaviors. A self-assessment sets the pace with appropriate scenarios, activities and content based on individual profiles and risk level. (\$40-\$45)

VISION ZERO PARTNER
Zero fatalities. Zero excuses.
