

DRIVER SAFETY

WORKPLACE

Save money, save lives and develop safer drivers when you train with the NDSC.

The cost of a single incident could cost your company millions. It pays for workers to drive safe!

SAVE LIVES

Motor vehicle collisions are the leading cause of death and injury in the workplace.

SAVE MONEY

With our Safe Driver Program you can save 5% on your Workforce Safety Insurance (WSI) premium discount.

SAVE TIME

Lose the hassle of lost work and insurance claims.

WORKFORCE SAFETY INSURANCE SAVINGS

In collaboration with WSI, the NDSC's Safe Driver Program helps employers establish, implement and enforce safe driving habits for employees who operate personal or company vehicles for business. Get started today!

Step 1: Contact WSI at 701-328-7227. They'll help you:

1. Apply for the Safe Driver Program before the beginning of the premium period
2. Implement a Safe Driver policy
3. Put a Comprehensive Vehicle Maintenance Program in place

Step 2: Complete the courses in the NDSC's Driver Safety Program for the Workplace

Bring your driver safety program in-house –

BECOME AN NDSC DDC TRAINING CENTER

As an NDSC Defensive Driving Course (DDC) Training Center, your in-house instructor(s) can train your employees on one of the nation's leading driver safety courses. Potential instructors from your organization will go through the NDSC eLearning Instructor Certification Course to learn the core principles of defensive driving along with highly effective teaching methods.

NDSC DDC Training Center Benefits

- Cost savings – Earn potential savings on your WSI premium and driver training costs
- Convenience – Train your employees at your convenience
- Save on travel – Eliminate travel planning and expenses
- Less time away – Employees will spend less time away from work, allowing them more time for other duties.

Become an NDSC DDC Training Center
