OSHA 10-Hour Construction Course (ECCS)

Course Length: 10 hours

NDSC Member: \$200 Non-Member: \$255

This program provides entry level construction workers information about their rights, employer responsibilities, and instructions to file a complaint; and how to identify, abate, avoid and prevent job related hazards on a construction site. Training emphasizes hazard identification, avoidance, control and prevention, not OSHA standards.

**Courses run 1pm to 5pm day one, and 8am to 5pm day two:
Bismarck - October 17-18**

OSHA 10-Hour General Industry

Course Length: 10 hours

NDSC Member: \$205 Non-Member: \$260

This program provides entry level general industry workers information about their rights, employer responsibilities, instructions to file a complaint and how to identify, abate, avoid and prevent job related hazards on a job site. Training emphasizes hazard identification, avoidance, control and prevention, not OSHA standards.

**Courses run 1pm to 5pm day one, and 8am to 5pm day two:
Bismarck - November 16-17**

OSHA 501 Trainer Course in OSHA Standards for General Industry

Course Length: 32 hours

NDSC Member: \$795 Non-Member: \$795

Prerequisites required. Go to www.ndsc.org to view. This course allows students to become a trainer in the Outreach Program, conduct 10- and 30-hour general industry courses, and issue cards to participants. Special emphasis is placed on topics required in the 10- and 30-hour programs as well as on those that are most hazardous, using OSHA standards as a guide. Effective instruction techniques and use of visual aids will also be covered. 2.6 CEUs; 4.0 CMs.

Bismarck - 8am - 5pm - November 14-17

OSHA 503 Update for General Industry Outreach Trainers

Course Length: 24 hours

NDSC Member \$695 Non-Member: \$695

Prerequisites required. Go to www.ndsc.org for more information. This course is designed for personnel who have completed the OSHA 501 Trainer course in OSHA Standards for General Industry and who are active trainers in the outreach program. Outreach trainers are required to attend this course once every four years to maintain their trainer status. Students must bring their current trainer's card for validation. 1.8 CEUs; 3.0 CMs.

Bismarck - 8am - 5pm - December 6-8

FIT TESTING NOW AVAILABLE! | See page 8 for more info

WORKPLACE SAFETY COURSES

SLIP SIMULATOR™ TRAINING

Since 1999, deaths from falls have increased by **233%**

Stat source: CDC

The NDSC's new Slip Simulator training can help reduce slip, trip, and fall incidents by up to 70%. This course goes beyond the classroom to give people a safe environment to learn techniques to improve stability and reduce the risk of falling. With the Slip Simulator not only do you learn proper slippery surface walking technique firsthand, but you have a fun and engaging learning experience that ensures you remember it. This course is useful for all age groups and can mimic real-life conditions from the workplace to home.

To learn more about our Slip Simulator™ and schedule training, contact our Community Safety Manager at **701-751-6105** or kathy@ndsc.org

PAYMENT, TRAINING AND CANCELLATION POLICY

Pre-registration and pre-payment is required for NDSC trainings. If you are unable to attend a training course, you must cancel at least three business days before the course for a full refund. Late registrations or no-shows are non-refundable. NDSC reserves the right to cancel any class not meeting the minimum attendance requirements. See complete policy at ndsc.org. For the One Basin, One Way cancellation policy, visit onebasinoneway.com.

FIT TESTING

NOW AVAILABLE

AT THE NDSC SAFETY CAMPUS

NDSC is now offering fit testing. Proper fit testing makes the difference between safe and at-risk exposure. We can fit your team fast and get them back on the job safely. NDSC's fit testing can be combined with other training and make your OSHA annual requirement more efficient. The NDSC is offering quantitative testing that measures the amount of face seal leakage, which eliminates the risk and uncertainty when it comes to your team's safety.

**Includes
fit test and
medical
clearance!**

Meet the NDSC TRAINING TEAM

Michael Adams

Michael is an industrial O&G professional with training credentials varying from ONE BASIN-One Way, trenching and silica, to First Aid/CPR and Defensive Driving.

Rick Halldorson

Rick's 28 years of industrial work experience positions him to train on topics ranging from OSHA 500's to Industrial Rail Yard Safety.

Michael Hutchens

Mike has more than 30 years of industrial safety experience and is the lead instructor for the MSHA program as well as an OSHA instructor.

Peter Juarez

Peter is a bilingual instructor with ten years of experience in the oil and gas industry. From spill response to safety management, Peter uses his O&G knowledge to enhance his instruction of courses like ONE BASIN-One Way.

Don Moseman

Don is the NDSC's Training Director. His experience in the U.S. Air Force and Colorado State Patrol positions him as a high-level trainer and on-staff expert for our violence prevention, driver safety, and supervisor-level safety programs.

Ashley Schaper

Ashley has vast knowledge of the oil and gas industry, and has worked in that field since 2008. She currently teaches ONE BASIN-One Way, First Aid/CPR and Alive at 25 Defensive Driving for NDSC.

Dennis Snodgrass

Dennis has extensive experience in the safety and oil industry. He has served as a manager/director for a number of safety companies where he provided training, policy creation, incident investigation, safety audits and much more.

Edon Willis

Edon served for 18 years in the U.S. Marines and specialized in security, safety and equipment training. Edon is a certified NSC defensive driving and First Aid/CPR instructor.

John Woutat

John is a former EMS training coordinator, firefighter and EMS responder with 20+ years of experience in training and emergency response. As the NDSC's EMS expert, John teaches first aid, CPR, trauma & triage, and more.

*Experienced and professional, NDSC trainers earn rave reviews on their **engaging style and deep knowledge**.*
