BECOME A DDC TRAINING CENTER!

Convenience • Cost Savings • Less Travel Expenses • Save Time

When you are an NDSC training center, your in-house instructor(s) can train your own employees on one of the nation's leading driver safety courses. Our eLearning Instructor Certification Course combines the core knowledge and principles of defensive driving with proven-effective facilitation methods. Candidate instructors learn the necessary skills to teach a successful driver safety program through interactive, scenario-based training.

LEARN MORE

WORKPLACE SAFETY COURSES

Certified Occupational Safety Specialist (COSS)

Course Length: 40 hours

NDSC Member: \$1,799 Non-Member: \$2,299

This is a nationally recognized program designed to build a solid foundation in both General Industry and Construction knowledge. Its main objective is to equip those with safety and health responsibilities with the core competencies they must master to be successful in OS&H.

Distance Learning

Virtual Instruction - 8am - 5pm - June 12-16

ECCS 8-Hour Refresher

Course Length: 8 hours

NDSC Member: \$180 Non-Member: \$230

Prerequisites required. Course teaches recognition, avoidance, abatement and prevention of safety and health hazards in workplaces, covering fall protection, personal protective equipment, electrical safety and hazard communication. *Private courses may be customized to fit your needs.*

Bismarck - 8am - 5pm - April 28

Excavator Trainer Upgrade

Course Length: 8 hours

NDSC Member: \$545 Non-Member: \$545

This course is exclusively for IVES Certified Trainers who wish to acquire the technical knowledge needed to train operators on mini/compact excavators. This is a fast-paced program that will get you ready to train your excavator operators.

Bismarck - 8am - 5pm - May 22

HAZWOPER 24-Hour Hazardous

Materials Technician Training

Course Length: 24 hours

NDSC Member: \$720 Non-Member: \$875

Hazardous materials technicians shall have received at least 24 hours of training equal to the first responder operations level, and this course curriculum meets those OSHA 1910.120 training requirements. After successful completion, participants will gain the skill set required to become a hazardous materials technician.

Bismarck - 8am - 5pm - May 9-11

Mock OSHA Inspections

Did you know NDSC can do a mock OSHA inspection for your company?

For more information, contact Alex Redmann at alexr@ndsc.org

HAZWOPER 40-Hour Hazardous Materials Specialist

Course Length: 40 hours

NDSC Member: \$795 Non-Member: \$950

Obtain the knowledge required to become a hazardous materials specialist, including competency in the following areas: how to implement the local emergency response plan; classification, identification and verification of known and unknown materials; selection and use of proper specialized chemical PPE; hazard and risk techniques; how to perform specialized control, containment, and/or confinement operations; decontamination procedures; developing a site safety and control plan; and chemical, radiological and toxicological terminology and behavior.

Bismarck - 8am - 5pm - April 3-7

HAZWOPER 8-Hour Refresher

Course Length: 8 hours

NDSC Member: \$220 Non-Member: \$250

This refresher course fulfills the requirements of the HAZWOPER Standard for Construction and General Industry and includes updates on and an overview of HAZWOPER requirements with a hands-on approach. Focus will be placed on identification, evaluation and control of a hazmat scene or incident.

Bismarck - 8am - 5pm - May 31

Job Safety Analysis

Course Length: 8 hours ASC CEUs: 0.65

NDSC Member: \$349 Non-Member: \$439

for more information.

SAFETY SERVICES

Complement the region's best safety training with our lineup of safety services. NDSC has the latest technology and a team of highly qualified safety consultants who understand what you need to accomplish your company's safety goals and standards.

AIR SAMPLING

NDSC offers air quality sampling as part of our Industrial Hygiene Services. The NDSC deploys the latest technology of air pumps to sample and analyze your workplace. Sampling for air contaminants includes; gasses, dust, vapors, fumes and molds. These chemical and biological hazards can have a major impact on your team and their safety. The NDSC provides the equipment, data analysis and a written assessment report.

FIT TESTING

Proper FIT testing makes the difference between safe and at-risk exposure. We can FIT your team fast and get them back on the job safely. NDSC's FIT testing can be combined with other training and make your OSHA annual requirement more efficient. The NDSC is offering quantitative testing that measures the amount of face seal leakage, which eliminates the risk and uncertainty when it comes to your team's safety.

NOISE ASSESSMENT

The CDC estimates 22 million workers are exposed to damaging noise each year. We offer noise assessments using state-of-the-art sound level meters and dosimeters. An occupational noise assessment includes a consultation and a written assessment report. OSHA requires employers to prove the existence and non-existence of physical and chemical hazards in the workplace, the NDSC can help you identify concerning exposure, and make a plan to be in compliance with OSHA's Noise Standard.

We also offer custom safety plans, consulting, AED checkups and more.

Schedule yours or see more at
ndsc.org/safety-services

COMMUNITY SAFETY COURSES

Reasonable Suspicion for Supervisors

NORTH DAKOTA SAFETY COUNCIL
A private non-profit.

Meet the NDSC TRAINING TEAM

Michael Adams

Michael is an industrial O&G professional with training credentials varying from ONE BASIN-One Way, trenching and silica, to First Aid/CPR and Defensive Driving.

Rick Halldorson

Rick's 28 years of industrial work experience positions him to train on topics ranging from OSHA 500's to Industrial Rail Yard Safety.

Michael Hutchens

Mike has more than 30 years of industrial safety experience and is the lead instructor for the MSHA program as well as an OSHA instructor.

Peter Juarez

Peter is a bilingual instructor with ten years of experience in the oil and gas industry. From spill response to safety management, Peter uses his O&G knowledge to enhance his instruction of courses like ONE BASIN-One Way.

Don Moseman

Don is the NDSC's Training Director. His experience in the U.S. Air Force and Colorado State Patrol positions him as a high-level trainer and on-staff expert for our violence prevention, traffic safety, and supervisor-level safety programs.

Dennis Snodgrass

Dennis has extensive experience in the safety and oil industry. He has served as a manager/director for a number of safety companies where he provided training, policy creation, incident investigation, safety audits and much more.

Daniel Wells

Daniel is highly respected in the safety community, and has more than 5 years of construction and industrial safety leadership experience in multiple construction industry disciplines and oil & gas.

Edon Willis

Edon served for 18 years in the U.S. Marines and specialized in security, safety and equipment training. Edon is a certified NSC defensive driving and First Aid/CPR instructor.

John Woutat

John is a former EMS training coordinator, firefighter and EMS responder with 20+ years of experience in training and emergency response. As the NDSC's EMS expert, John teaches first aid, CPR, trauma & triage, and more.

*Experienced and professional, NDSC trainers earn rave reviews on their **engaging style and deep knowledge.***
