NDSC student TESTIMONIALS

“Beautiful, new, state-of-the-art facility offering a wide range of pertinent and current safety courses. Dedicated instructors, reasonable prices, and serious depth of curriculum. If you need safety training NDSC almost certainly offers it and if they don’t, they’ll probably design a one-off course to take care of your needs.”

– Ryan, NDSC Student

“We look forward to working with NDSC throughout the year. The staff at NDSC always keeps training and safety an extremely valuable tool for us. Thanks for all your safety dedication!”

– Darrel, NDSC Student

“First class in EVERY respect! I would highly recommend taking classes here to anyone.”

– Roger, NDSC Student

Safety Services & Consulting

The NDSC's highly qualified team of safety consultants live and breathe safety. Their real-life experience means they know what it takes to keep your employees safe.

Air Sampling

The NDSC deploys the latest technology of air pumps to sample and analyze your workplace.

Noise Assessments

We use state-of-the-art sound level meters and dosimeters. An occupational noise assessment includes a consultation and a written assessment report.

Fit Testing

The NDSC does quantitative testing that measures the amount of face seal leakage, which eliminates the risk and uncertainty when it comes to your team's safety.

Mock OSHA Inspections

We will provide OJT training during a Mock OSHA Audit on what your company may expect during an actual inspection.

Risk Assessments

Our experts identify the risks that make your workplace vulnerable.

Emergency Operations Planning

All facilities face a certain level of risk, the NDSC can help your organization manage yours.

Site Safety

During special projects or maintenance shut-downs, our team can consult and be on site to manage your site's safety, so you can focus on the work at hand.

Quality Safety Management

No safety manager? No problem. Put your safety management into the hands of our qualified team.

Safety Plans

We'll help you create a plan that protects employees, reduces risk, and establishes a culture of safety.

Consulting

Our safety consultants can guide you through regulatory compliance and injury prevention strategies to keep your staff safe and on the job.

AED Sales & Checkups

We sell quality AEDs and AED supplies, and provide free, comprehensive checkups for a successful and life-saving AED program.

+ NDSC offers Spanish language training and interpretation.

Every workplace has elements of risk. Whether handling heavy machinery, doing repetitive tasks, or working in an office setting, risks and exposures can be managed or avoided through safety training.

Defensive Driving Courses

Motor vehicle collisions are the leading cause of death and injury in the workplace. Save lives, save money and avoid lost time by enrolling your team in our Defensive Driving courses.

- Defensive Driving
- DOT Compliance
- Professional Truck Driving
- Adverse Weather Driving
- DOT Hazmat
- CDL

+ *Our courses can help you save up to 5% on your WSI premium!*

Emergency Response Courses

We'll help make sure your employees are ready if disaster strikes.

- Basic First Aid/CPR/AED (meets OSHA First Aid standards)
- Emergency Rescue
- Violence Prevention Training
- Specialty courses for emergency medical responders

Industry Training

NDSC makes safety compliance and training easy with a wide range of courses.

- Construction Compliance
- General Industry Compliance
- OSHA courses
- Oil & Gas Training
- Safety Management
- Equipment Operator
- Mine Safety
- Responsible Beverage Server
- Emergency Operations Planning
- Drug, Alcohol and Fatigue Awareness
- Opioid Awareness
- Slip Simulator™

Agriculture Safety

Agriculture is a leading industry in North Dakota creating almost one-fourth of the state's employment and 26,000 farms and ranches that stretch across the state.

- Courses ranging from livestock & equipment safety to youth safety
- Ag Safety Training Trailer

Safety Certificates

Our industry-leading certification programs help employees advance their careers and employers build their workforce.

- Certified Occupational Safety Specialist Certificate (40-hour program)
- Advanced Safety Certificate (96-hour program)

Train the Trainer

Bring your training in-house with our wide range of Train the Trainer programs across nearly all offerings including First Aid/CPR; driver safety, equipment operations and OSHA Compliance.

Workplace Safety

Community Safety

The NDSC is dedicated to keeping families whole by providing community safety education and advocacy.

Driver Safety COURSES

Empower yourself and those you love with life-saving knowledge through the NDSC's driver safety programs.

- Alive at 25 - Teen Driver Safety
- Defensive Driving
- Attitudinal Dynamics of Driving

+ *Driving course completion can earn 5-20% discounts on insurance premiums!*

**VISION
ZERO**
Zero fatalities. Zero excuses.
PARTNER

School Safety PROGRAMS & CONSULTING

Our experienced consultants ensure that nothing is left to chance when it comes to the safety of our children and educators.

- School Bus Driver Training
- Reasonable Suspicion
- School Violence Prevention
- First Aid and CPR/AED
- Violence Prevention and Personal Safety
- Drug, Alcohol and Fatigue Awareness

Personal Safety PROGRAMS & CONSULTING

Violence happens, and emergencies occur. We'll make sure you're ready and able to protect yourself and your loved ones from harm.

- Personal Violence Prevention
- Railroad Safety through Operation Lifesaver
- Slip Simulator™
- Emergency Operations Planning
- Responsible Beverage Server Training

+ *Slips are the second leading cause of injury-related deaths at home, and the third leading cause of work-related injuries.*

Contractor Safety

North Dakota's energy industry trusts the NDSC! We work with three key programs that train employees and contractors working in plants, in the field and at remote worksites - ensuring their safety while protecting company liability.

Energy Coalition for Contractor Safety (ECCS)

The NDSC administers training and services for the ECCS, a group of North Dakota energy companies working together to achieve workplace safety excellence through standardized safety practices, training, background checks and drug screening of contract employees.

One Basin One Way (OBOW)

NDSC is one of two training providers for OBOW, a standardized safety orientation for North Dakota's oil and gas industry.

Conference

Huge exhibitor show, dynamic keynotes and connective networking create the region's largest Safety Conference. The Safety + Health Conference is designed to provide solutions to safety professionals from every ND industry.

90+
sessions

125+
exhibitors

50+
speakers

"Recharged my safety batteries, great time had by all!"

"The professionalism and helpfulness of the NDSC staff was awesome."

"Accessibility to amazing and inspiring people is the best!"

"So much practical info I can bring back to my company."

– NDSC Safety + Health Conference attendees
