Mental Health First Aid

Course Length: 7.5 hours

NDSC Member: \$175 Non-Member: \$195

Mental Health First Aid (MHFA) is skills-based training that teaches people how to identify, understand and respond to signs and symptoms of a mental health or substance use challenge. Similar to physical First Aid and CPR, MHFA helps you assist someone experiencing a mental health or substance use crisis until professional assistance is obtained or the crisis is resolved.

Bismarck • 8am - 5pm - August 4

Fargo • 8am - 5pm - July 23

**A CHILD IN YOUR CARE
HAS STOPPED BREATHING.**

Are you going to

PANIC

or are you going to

RESPOND?

PEDIATRIC CPR COURSES

NDSC's Pediatric CPR/AED/First Aid courses are for child care providers, early childhood educators and students, parents, youth organizations and anyone interested in learning how to save a child's life. Students will learn how to recognize and respond to breathing and First aid emergencies in infants and children ages 12 and younger. A special emphasis will be placed on injury prevention.

**GET TRAINED.
SAVE THEIR LIFE.**

Designed for safety leaders, this course addresses safety management systems, the roles and responsibilities of safety professionals, leading safety management processes, safety performance measures and more.

Fargo • 8am - 5pm - September 22-23

Effective Safety Management Practices II

Course Length: 2 days ASC CEUs: 1.3

NDSC Member: \$875 Non-Member: \$1,035

This course provides the advanced knowledge required to implement a successful safety management system. It covers human and organizational performance, serious injury and fatality prevention, risk assessments, safety observation programs and more.

Fargo • 8am - 5pm - September 24-25

TO RECORD OR NOT TO RECORD

Wed, July 15 • 11:30 am - 1 pm • Holiday Inn • Fargo, ND

Is filling out the OSHA 300 forms one of your tasks at your company? Or do you want a better understanding of recordability? If you answered yes to either of these questions this Critical Issues Event is for you! Determining whether a workplace injury or illness is OSHA-recordable can sometimes feel like navigating a maze. In this training we will break down the key requirements of the OSHA 1904 Recordkeeping Standard and debate different What If scenarios. Through these real-world scenarios participants will learn how to distinguish between recordable and non-recordable cases and gain the confidence to discuss those cases in their workplace.

Excavator Trainer Upgrade

Course Length: 8 hours

NDSC Member/Non-Member: \$715

This course is exclusively for IVES Certified Trainers who wish to acquire the technical knowledge needed to train operators on mini/compact excavators. This is a fast-paced program that will get you ready to train your excavator operators.

Bismarck - 8am - 5pm - August 14

Fall Protection Awareness - Construction

Course Length: 4 hours

NDSC Member: \$150 Non-Member: \$175

An overview of the fall protection requirements for the construction industry, steel erection and equipment used to elevate personnel.

Fargo • 8am - 12pm - July 9

Fall Protection Awareness - General Industry

Course Length: 4 hours

NDSC Member: \$150 Non-Member: \$175

Falls are among the most common causes of serious work-related injuries and deaths. Knowing when fall protection is necessary, and when it's not, is important. This awareness course will help workers and employers better understand OSHA's requirements and the reasons behind them.

Fargo • 8am - 12pm - September 2

H2S Clear for Energy

Course Length: 4 hours

NDSC Member: \$155 Non-Member: \$185

This course arms workers with crucial knowledge of the dangers of H2S (the "silent killer") and the precautions, tools, and necessary actions for working around rigs, pipelines, refineries, storage tanks, tankers and terminals.

Minot • 8am - 12pm - July 20, August 24, September 14

NDSC MEMBER COMPANIES...

WE'RE PUTTING THE SPOTLIGHT ON YOU!

We're excited to introduce a new way to highlight YOU! NDSC Members can now take advantage of our Membership Spotlight feature, designed to showcase your organization, your team, and your commitment to safety.

By filling out a quick form, you will have the opportunity to be featured on our social media pages. It's just one more way your membership is working for you!

SPOTLIGHT QUESTIONNAIRE

FIT TESTING

IN BISMARCK OR ON YOUR SITE

At the North Dakota Safety Council, we're expanding access to our Fit Testing so more people can stay safe, compliant, and confident.

- **On-Site Fit Testing for Groups** – We come to your facility so you can keep your team protected without disrupting workflow.
- **Public Fit Testing Every Other Tuesday** – If you don't have a group to test, you can still get proper Fit Testing at our Bismarck campus every other Tuesday. *You are required to bring along your mask for testing.

Proper Fit Testing makes the difference between safe and at-risk exposure. We can fit your team fast and get them back on the job safely. NDSC's Fit Testing can be combined with other training and make your OSHA annual requirement more efficient. Our Fit Testing offers quantitative testing that measures the amount of face seal leakage, which eliminates the risk and uncertainty when it comes to your team's safety.

Public testing is scheduled every other Tuesday from 7:30 am – 9:30 am in our Bismarck office

Online registration required 3 days prior to test

Up to

40% of workers who use tight-fitting respirators are wearing ones that **DON'T PROPERLY FIT.**

.....
A **PROPER FIT** can reduce exposure to hazardous substances by

90% or more.

Schedule yours today!

PREVENTION... NOT REACTION

Let the NDSC work with you on
All-Threat Assessment planning.

Our Safety Consultants will help you identify where your organization is most vulnerable. The goal is to be proactive, not reactive, with your safety and security measures for all emergencies, including an active shooter. Our All-Threat Assessment Experts are professionally trained by the U.S. Department of Homeland Security (DHS) and the National Institute of Crime Prevention (NICP). We can help you create an emergency response plan that adheres to DHS best practices and includes responses for pandemic exposure.

PAYMENT, TRAINING AND CANCELLATION POLICY

Pre-registration and pre-payment is required for NDSC trainings. If you are unable to attend a training course, you must cancel at least three business days before the course for a full refund. Late registrations or no-shows are non-refundable. NDSC reserves the right to cancel any class not meeting the minimum attendance requirements. See complete policy at ndsc.org. For the One Basin, One Way cancellation policy, visit onebasinoneway.com.

Meet the NDSC TRAINING TEAM

Don Moseman

Don is the NDSC's Training Director. His experience in the U.S. Air Force and Colorado State Patrol positions him as a high-level trainer and on-staff expert for our violence prevention, traffic safety, and supervisor-level safety programs.

Dennis Snodgrass

Dennis has extensive experience in the safety and oil industry. He has served as a manager/director for a number of safety companies where he provided training, policy creation, incident investigation, safety audits and much more.

Andrea Jensen

Andrea has over 15 years' experience in safety in the transportation, manufacturing and construction industries, and has an MS in Occupational Health and Safety and an MBA from American Military University.

Kacy Kirby

Kacy has worked primarily as a safety specialist and manager in the manufacturing industry. During his time in safety, he has been certified to teach PEC Safeland, First Aid/CPR, Reasonable Suspicion, Forklift, as well as others.

Tim Hall

Tim has almost 30 years of experience working in the mining industry. He has done extensive work in engineering, environmental, training, safety, maintenance, and production. Tim is a certified MSHA instructor and surface coal foreman.

Stacey Fick

Stacey has been in safety training since 2013. She has taught many classes including OSHA 10&30, Safeland, Core Compliance, FA/CPR/AED, LOTO and Confined Space. She uses innovative training methods and instills a culture of continuous improvement.

Jesse Johnson

Jesse has spent the last 25 years working as a Safety Coordinator and consultant in the oil and gas industry. He has done pipelining all over the US, and worked for Roustabout and other service companies in the oil and gas industry.
